Sir:

PRELIMINARY AMENDMENT

In order to place the above-identified application in better condition for examination,
please amend the application as follows:

IN THE CLAIMS

Please substitute the following amended claims for corresponding claims previously
presented. A copy of the amended claims showing current revisions is attached.

5. (Amended) Mutants according to claim 2, characterized in that they contain an additional
mutation according to which F at position 383 is replaced by an alanine.

10. (Amended) Application of the mutants according to claim 1, as vaccine targets.
